RE: Response to Request for Additional Information re Year End 2012 Report of  
Independent Expenditures – Heritage Action for America

Dear Mr. Matheson:

We are in receipt of your August 15, 2013 Request for Additional Information ("RFAI") regarding the Year End 2012 FEC report of independent expenditures filed by Heritage Action for America ("Heritage Action") and whether there were or are donors whose contributions were made to further the expenditures reported in the Year End 2012 Report.

Please be advised that Heritage Action has not, at any time, solicited or received contributions earmarked for any purpose. All independent expenditures, indeed ALL expenditure by Heritage Action, are and were from the general treasury funds of the organization and there were and are no donors whose contributions were either solicited or received to further the reported expenditures.

Accordingly, the Year End 2012 report filed with the Federal Election Commission is true and accurate as filed. No additional information is required.

Please contact me if you have additional questions or concerns. I can be reached at (202) 295-4081.
